We were thrilled and honored to be invited to show what we can do for the first time in a Showhouse setting. We LOVED every minute of it... thanks to YOU! With MUCH gratitude to you and the whole CTC&G team!!!!

The issue is gorgeous!!!! Thanks for sending last week and it got a lot of attention on the weekend as I had guests who were very impressed with the issue! And you!!!! The entire fabric feature is beautiful! Thanks again so very much!

2015 was a year that marked success with our new NYC Metro partner NYC&G and CTC&G. In addition to the strong editorial support we received from Kendell and DJ, the advertising that we ran in the CTC&G issue sold pieces directly off of the page, and helped us to simultaneously build the business and brand awareness in one of our growing product categories in a key market.

We have received a super response to the lockets and it has translated to residual sales.

JL ROCKS JEWELRY, APRIL EVENT WITH CTC&G

Just wanted to thank you on behalf of Gallery 19 in Essex for the lovely feature in January's "Store Stats." We have had several inquiries, visits and sales based on the magazine, including the sale of the painting "Red Flowers" that you used. We really appreciate your introducing us to your readers.

I was very pleased to open the March issue of CTC&G and see the feature on Nemo Tile's moving on page 44, "Gotcha Covered." The layout is beautiful and truly conveys the range and personality of this tile. Indeed, the entire issue is beautiful, and we are proud to be a part of it. Thank you for your generous coverage of Nemo Tile. I deeply appreciate your longtime support of our product and company.
